Simply Music

Perpetual Studio Policies & Agreement for

Lesson schedule: Lessons are offered Monday through Saturday. (Only sometimes are Kindermusik classes scheduled on Saturday.)

Academic Year: The studio school year runs perpetually from September to June. The studio schedule will run in conjunction with School systems' Christmas Holidays and Spring Break. Lessons do run as normal on Pro-D days, they are not taken out of your calendar.

****Perpetual Enrolment:** Our studio runs on perpetual enrolment, this means once enrolled with our studio, you will continue to be enrolled (year after year) until you choose to withdraw.

Holiday Mondays: Lessons **WILL NOT** run on holiday Mondays. ***Excluding Pro-D days (non-instructional days)***

Missed Lesson Policy: Due to the busy studio schedule there will be no make-up lessons for cancellations. Simply Music is not responsible for classes missed by a student or parent. If there happens to be an extra age appropriate classes running, you may choose to take a makeup class in 1 of the other applicable classes. This will need to be approved by management or front desk staff due to class sizes.

Termination: A full 2 month's withdrawal notice is required for lesson termination. The 2 month's withdrawal notice is calculated from the beginning of the month following the month the notice is given. Payments received will be reimbursed after sufficient termination notice has been given. A withdrawal form can be obtained by the downstairs staff. To ensure there are no errors, this form has to be filled out and turned in, faxed, or emailed in order for the withdrawal to be processed. No phone withdrawal is accepted.

Overdue Fees: Fees that are outstanding for over 30 days will be required to be paid in full before the next scheduled lesson or the studio will have the right to refuse lessons to the student whose payment is overdue, unless previous arrangements have been made.

*****Please Note:** If groups become mismatched as the year progresses or your child becomes of age to move into the next development appropriate class, some rescheduling may become necessary to ensure the student is in the best learning environment. If student starts late into Young Child Year 1 or 2 some catch up private or semi-private lessons may result, lesson fees will change accordingly. Extra fee will be applied to Students who start Young Child 2 due to requirement of purchasing Young Child 1 materials.

Method of Payment: There are **3 payments options** available.

~Equal monthly payments; 10 posted dated cheques or pre-authorized credit card payments remitted on or before the 1st day of lessons. If you choose this option you pay the same amount every month. This method has nothing to do with the amount of lesson in a month because it is a payment option for convenience of your budgeting.

~Semi Annually; 2 cheques remitted at the beginning of lessons, one (1) dated for the first day of lessons and the other postdated for January 15, 2017.

~Semi-Annually (Option 2); Credit card charged on the first day of lessons and second (2nd) credit card payment pre-authorized for January 15, 2017.

~Annually; One payment made at the beginning of lessons by cheque or cash or credit card.

We must insist that all lessons for the year must be paid in full before the lessons commence.

A \$25.00 service charge will be applied to all NSF cheques.

Credited: If during a unit change you previously own sibling materials, you will be credited the difference. If paying monthly by credit card your credit card charges will be adjusted accordingly.
